Dynamic Compression Explanation and Example

XanGo™'s Comp Plan offers Dynamic Compression. This means there is NO BREAKAGE to XanGo™. The company PAYS OUT all NINE LEVELS to qualified distributors. If a distributor does not qualify for a level, it is paid to the first person upline who is qualified.

CHART A shows are commissions are paid on an INDIVIDUAL ORDER.
Look at the bottom of each column and follow it up to see where each level is paid.

	Upline	Prem	2%	2%	2%	2%	2%	2%	2%	2%	2%	2%	2%	2%	2%	2%	5%	5%	5%	5%	5%	10%	5%	5%
