

The Power of One with XanGo

If you sponsored just ONE new distributor per month with 1 case of XanGo and taught your organization to duplicate, you would have the VOLUME to become a 1K in 4 months, a 5K in 6 months, a 20K in 8 months, a Premier in 9 months, a 100K Premier in 10 months, and a 200K Premier in 11 months. Imagine if you brought everyone in for TWO cases per month. Imagine if you sponsored THREE people per month or FIVE people per month.
